

A WORD FROM OUR KITCHEN TEAM

Hello and welcome to our beautiful island!

Take a seat, relax, and indulge in the great views we have from our clubhouse

Having worked in a range of kitchens and cuisines across the UK and Australia, we love using our experience to create new and exciting dishes, in addition to perfecting those classic dishes we all know and love

King Island is home to many exciting seafoods and world class quality grass-fed beef

You can see some of the thousands of cattle outnumbering people on the island, or take a snorkel out to the rocks to see some Crayfish

With plentiful fresh homegrown ingredients here on the island at the tip of our fingers, we are lucky to be able to combine all these great flavours to provide our guests with only the best produce

Thank you and we hope you enjoy all that Cape Wickham Golf Links has to offer.
